

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

ABRACADABRA

An exciting colour of red and yellow, whereby each bloom magically displays its own colour combination. An attention grabber. Small to medium sized blooms. 1m tall.

ALEC'S RED

A very large bloom of clear crimson with magnificent fragrance. Health and vigour is unsurpassed and production of well formed flowers is excellent. Dark green foliage on a bushy plant of average height.

ASHRAM

Strong growing with bright old gold colouring flowers freely. Shining dark green foliage has excellent disease resistance. The large, full blooms are suitable for picking. Slight fragrance. 1.2m tall.

AUGUSTA LUISE

Large fragrant blooms with nostalgic olde world form, borne singly and in clusters of 3-5. The confection of soft colours will gladden the heart of the beholder. A hardy, vigorous plant 1.2m tall.

AUS. CENTENARY OF FEDERATION

An excellent tough and hardy garden rose that is ideal for many purposes. The cherry red blooms are of good size and texture and produced freely.

BARBARA STREISAND

Strikingly large blooms of attractive clear lavender framed by deep green glossy leaves. A vigorous producer with an outstanding fragrance. 1.3m tall.

BEAUTIFUL GIRL

Romantic colour combination of silver and pink. Antique in shape, the medium sized blooms have firm petals curving into the centre which sit on long stems. Mid-green leaves with mild fragrance. Height 1.5m.

BEST FRIEND

Vibrant blooms of deep, hot pink accompanied by a strong sweet perfume. Large, light green leaves and excellent health. Named by the RSPCA to celebrate 4 legged friends.

BETTER HOMES & GARDENS

Beautiful large, pastel apricot blooms are produced constantly throughout the season. Each petal filled flower is highly perfumed. Green foliage and is both hardy and healthy. Height 1.5m.

BEWITCHED

Clear pink, often with a hint of salmon with glossy green foliage. The high-centred and very long lasting flowers have a strong fragrance. Repeat flowering.

BLACK BEAUTY '99

Distinctive velvet red with an inclination toward black and a yellowish reverse. This rose is one of our blackest roses. A very productive cut flower variety with a good vase life. 1.2m tall.

BRILLIANCE

Pure white blooms shine like beacons in a continuous and breathtaking display. Highly perfumed, each flower simply bursts with a pleasurable and intense scent.

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

CAMP DAVID

A beautifully scented well formed dark red that is very resistant to adverse weather. The plant is extremely sturdy with healthy growth.

CANDY STRIPE

Very large, dusty pink striped blooms are produced in abundance on a vigorous, upright bush. Fragrant.

CAPPUCCINO

A medium sized flower in a warm cream-yellow colour that intensifies to ochre in the centre. Dark and slightly glossy foliage, few thorns. A cut flower variety with good vase life.

CHARLES DE GAULLE

Clear lilac blue accompanied by lovely fragrance in the form of fully double flowers. The plant is of low to medium height with healthy growth. One of the best mauves and a true delight.

CINDERELLA

A very healthy, strong growing rose with large rounded pink blooms that have a slight fragrance. The long stems have few thorns and dark green glossy foliage. A highly productive cut flower variety.

DAME ELISABETH MURDOCH

A truly exceptional Hybrid Tea, healthy and vigorous. The flowers are medium to large with good form and quality in a magnificent blend of colours. Highly recommended.

DARK DESIRE

From buds that are almost black, the cupped flowers emerge with a unique violet-red before maturing into a violet purple. Sophisticated fragrance of floral and fruity aspects. Height to 1.2m.

DIAMOND JUBILEE

Buff yellow exhibition blooms with a strong fragrance. Vigorous and disease resistant.

DIANA PRINCESS OF WALES

This excellent variety has the most pleasant blending of colours you could wish for. Pastel shades of white to lemon, flushed with a pale rose pink. Large foliated plant is very healthy and vigorous.

DOUBLE DELIGHT

Large double blooms of white to cream with heavily flushed and edged carmine to red. Bushes are of medium size, vigorous and of good health, with long strong stems. Strong fragrance.

EARTH GODDESS

A sport of the ever popular Augusta Luise. Large, fragrant full blooms with a divine fragrance in beautiful creamy yellow hues, on a vigorous plant to 1.2m tall.

FAIRYTALE QUEEN

Lovely pale pink blooms on long strong stems. Plant is vigorous and disease resistant.

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

FATHER'S LOVE

Dark velvety red, fully petalled blooms with a lasting fragrance of spice. Deep green foliage. Named in support of Australia's Centre for Men's Health.

FIONA'S WISH

Superb classic blooms, shaded cherry red with a creamy amber reverse have an award winning fragrance. Healthy bronze green foliage.

FIREFIGHTER

Rich velvet red in colour, producing long stemmed, intensely fragrant blooms of cut flower quality. A medal winner at the 2008 National Rose Trial Awards. Exhibition quality. Approx 1.6m tall.

FIRST LOVE

Beautiful pink rose with long slender buds. Very vigorous bush. The semi-double blooms are lightly fragrant.

GIFT OF GRACE

Majestic double blooms in a rich ruby pink, with subtle silvery reverse, make a lovely display in the garden or vase. The strong fragrance is sweet and layered with spice. Excellent repeat flowering.

GOLD MEDAL

Yellow, lightly flushed pink. Very good, clean, healthy foliage. Light fragrance.

GRANDE AMORE

These divine velvety red, well formed blooms are produced on long, single stems. The bush is wide and well branched with dark green leaves and is very healthy. A multi-award winner.

HAPPY ANNIVERSARY

An excellent rose for the garden and as a supply of cut flowers. The stunning deep orange flowers are produced on long, firm, upright stems and combined with a lovely fragrance, provide a lasting display.

HEAVEN SCENT

An intense old damask rose fragrance accompanies large blooms sitting on long stems with few thorns. A desirable rose.

HONOUR

Off-white to cream rose of excellent form. This extremely disease resistant and healthy plant is most desirable, a very popular show winner in America. Light fragrance.

IN APPRECIATION

Fragrant and free branching makes this one great for the vase and a stand out in the garden.

JOY OF LIFE

Well formed blooms of white to light pink, heavily flushed light red. Flowers darken with age. Extremely strong, vigorous and healthy variety. Sales in support of Rotary Health.

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

JOYFULNESS

Pastel shades of apricot, cream and pink. Large size blooms of very attractive shades, very freely produced, usually solitary on long stems. Fragrant, very strong and healthy growth.

JUST JOEY

Large decorative coppery orange to buff blooms with waved and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented. Rose Hall of Fame in 1994.

LITTLE RAY OF SUNSHINE

Perfumed blooms of citrus and rose scents, on long stems. Airy, petal filled bloom of bright yellow, flowers continuously throughout the growing season. Grows to 1.5m tall. Name in support of the Australian Breastfeeding Association.

LOVING MEMORY

A tough and hardy dual-purpose bright red rose of good form. The overall hardiness is most desirable, a good rose.

MISTER LINCOLN

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

MOTHER'S LOVE

Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance. Abundant deep green foliage on a healthy bush reaching 1.5m.

NATIONAL PRIDE

Produces an abundance of beautiful full petalled creamy blooms with white gold centres. Each flower has intoxicating fragrant of spicy rose. Hardy and healthy. 1.5m

OKLAHOMA

A very dark red rose with large double blooms of 45 to 55 petals. Flowers are produced on long stems and are very fragrant. A vigorous plant with lovely dark green foliage.

OUR VANILLA

The name has been well chosen as the colour is a vanilla champagne, with the outer base petals sometimes having a green hue. Growth is dense and very healthy. Excellent out flower.

OUTBACK ANGEL

Appealing ruffled blooms of amber to apricot, with a distinctive copper veining of the petals. The bush is hardy and healthy, with glossy mid-green foliage. 1.2m. Supports the Royal Flying Doctor Service.

PAPA MEILLAND

Prized for its dark velvet red, exhibition blooms that have a deep, heavy fragrance. An upright, vigorous bush to 1.2m. A good and very popular rose. Inducted into the Rose Hall of Fame in 1988.

PEACE

The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Very popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976. Makes an excellent standard.

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

PERFUME DELIGHT

Large well formed blooms of deep pink with purplish tones. Lighter on the petal reverse with a spicy fragrance.

POETRY

Large, nostalgic shaped blooms in a magical delicate pink with a strong fragrance. Long, strong stems are covered with fresh green, hardy foliage. Good cut flower variety with a high production.

POPE JOHN PAUL II

Producing luminous, pristine, lavishly petalled blossoms, this elegant rose grows in the Vatican's private garden. It has won trophies for fragrance, vigour, and superior disease resistance.

QUEEN ELIZABETH

A long stemmed decorative rose of clear pink. Very vigorous. Growth makes an impressive shrub. One of the World's favourite roses, inducted into the Rose Hall of Fame in 1979.

QUEEN OF HEARTS

Large, cup shaped blooms in a colour play of cherry red and apricot are produced on long, single stems with glossy foliage. A good cut flower variety with slight fragrance. 1.5m tall.

RADOX BOUQUET

Strongly fragrant, old garden type rose. The many petalled blooms are clear light pink, produced profusely in multiheads on a strong vigorous bush.

REMEMBER ME

Extremely strong healthy dense foliage of medium tall habit. The blooms are a blend of fawn, cream, yellow and salmon, deepening in hot weather. Very unique.

SAMANTHA

A multi purpose rose of medium to dark red with single stem and occasionally several to a head. Tall to medium growth of good vigour and health. Well formed rich red blooms. A good cut flower.

SHOCKING BLUE

A very fragrant bloom of lilac-mauve. A vigorous grower giving exhibition quality blooms that keep well.

SPIRIT OF PEACE

Lovely well formed flowers in a very unusual colour of dark cream bluff. Plant habit is medium tall, with very light green stems and foliage. Healthy, vigorous and very fragrant.

SUGAR MOON

Pure white pointed blooms framed in dark green foliage and a strong, sweet perfume. Great for the vase. A perfect white rose to sweeten every garden.

SUMMER OF LOVE

A play of white, yellow and coral colours slowly spiral open from a high centre. This beautiful rose delight the senses with its pleasant spicy fragrance and colour. Upright growth to around 1.7m.

Roses 2021

Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

SWEET MEMORY

Names for Alzheimer's Australia Vic. Masses of clear pink blooms are produced on a vigorous and healthy bush covered in dark green, glossy leaves. Slight species fragrance.

SWEET PAROLE

A sport of the well known Parole in a lovely pastel pink with a strong, well balanced fragrance. Attractive very large flowers stand on a healthy bush that will no doubt be as popular as its mother variety.

THE CHILDREN'S ROSE

The light pink, many petalled blooms are very fragrant. A strong and healthy bush which will grow to about 1.5m tall.

THE JUBILEE ROSE

The yellow, fragrant blooms have a contrasting red petal edge and are borne on long stems. Prolific, displaying intense colour throughout the season.

THE RSL ROSE

Striking tones of burgundy and soft amber. =Mirroring the colours of dawn and dusk, each classic shaped bud opens to produce an informal flower borne on long stems of glossy deep green foliage.

TINEKE

Pure white exhibition-type blooms with good keeping qualities. Prolific bloomer of good health and vigour.

VALENCIA

Very large flowers, on long strong stems. The Old Gold coloured blooms, are borne on a vigorous, healthy, large foliated bush. Fragrance is sweetly strong.

WARM WISHES

Large flowers in glowing colours range from creamy apricot to warm amber pink. Sweet fragrance and a strong healthy plant.

WEDDING BELLS

The large clear silver pink blooms produced in a classic form are high centred and have a petal count of over 40. Healthy disease resistant dark green foliage makes this a must have. 1m high.

Roses 2021

Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

AFTERNOON DELIGHT

Compact growth habit with clusters of large double flowers in soft apricot that changes to pink as the flowers age. With a sweet moderate fragrance and excellent disease resistance. 1m tall.

APRICOT NECTAR

Buff apricot flowers are quite large, fully petalled and have a pleasant fragrance. Ideal for floral arranging.

AS GOOD AS IT GETS

A beautiful, repeat flowering rose of deep pink and blackberry with a strong fragrance. Healthy growth with from approximately 80cm to 1m high.

BENGALI

An abundance of fully double blooms open to large cups in a very attractive apricot. Upright growth to 1m high and 50cm wide.

BORDEAUX

Great for mass planting or for a splash of colour. Wine red large double cupped blooms accompanied by a subtle fragrance. Growth is upright and healthy up to 80cm high.

BRIDAL PINK

Profuse blooming medium sized flowers of a very delicate pink shade produced singly and in clusters on a neat low and very healthy compact bush.

CHERRY BONICA

Attractive, compact shrub rose producing continuous trusses of luminous petal filled, cherry red blooms from late spring to late autumn. Hardy and highly disease resistant. Approximately 1.2 - 1.4m.

COCONUT ICE

Musk pink with a soft white on the reverse of each petal in an Old English form. Neat, upright bush grows to 1.2m producing firm stems that hold clusters full blooms that have a mild fragrance.

DELIGHTFUL PARFUMA

Blooms of 8-10 cm wide in old-world style with an intoxicating fragrance are produced in a deep mauve pink with pale pink reverse. The bush itself is upright and healthy to around 1m high.

DOUBLE PINK KNOCK OUT

A continuous blooming pink rose with high disease resistance. This prolific rose is great for use as a hedge or border producing an excellent display when planted on mass. Grows to approx 80cm high.

EARTH ANGEL

Exceptionally fragrant old world shaped flowers opening from dark pink buds. The colour evolves to a delicate pink and the blooms give off an intense fragrance of lemon and apple. Approx 70cm tall.

EBB TIDE

Deep purple, almost black buds open to reveal a very double, medium size old fashioned blooms of velvet purple that carry with them an intense clove fragrance. Just over 1m tall.

Roses 2021

Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

ESPRESSO

Coffee brown, semi double petals with a bright yellow centre. Extremely healthy foliage with an upright growth. Growth to approximately 75cm tall and 50cm wide.

EYES FOR YOU

Reminiscent of an oriental poppy, it is a cluster-flowered shrub, with medium to large, cupped, semi-double blooms, opening in a pale pink shade, ageing to white, with a purple blotch at the centre.

EYE OF THE TIGER

A beautiful colour in the Rosa Persica hybrids by Chris Warner. The fragrant yellow flowers fade to cream and have a red eye. Glossy disease resistant foliage. Grows to 1m.

FAIRYTALE MAGIC

Fully petaled, light pink blooms with an apricot center and an enchanting fragrance sit on an extremely healthy upright bush to 90cm tall.

FIRST CRUSH

The high-centred buds open to nostalgic shaped cups in a delicate pastel pink. Exceptional fruity fragrance and healthy foliage. A bushy plant with vigorous growth to a height of 1m tall x 80cm wide.

FOR YOUR EYES ONLY

A standout in the Chris Warner series. Crossed with Hulthemia Persica, this new style rose is certainly spectacular. Large single blooms cover this lovely bush growing is approximately 1m high.

GARDEN DELIGHT

The high-centred buds will open to fully double cup shaped blooms, where the delightful blend of yellow and intense red varies with the climate. Growing to an average of 80cm tall.

GARDEN FRIEND

An abundance of eye-catching blooms in a stable colour of intense pink. Add to this a healthy robust bush making it a great choice for mass planting, borders or pots.

GARDEN OF ROSES

Full blooms in soft apricot and pink with a delicate fragrance. Compact bush framed by dark leaves. Extremely healthy and easy care this delightful bush is ideal for small gardens, pots or borders. 60cm high.

GIFT OF FRIENDSHIP

Fully double flowers in a fresh fruity cherry red are produced continuously on a background of healthy dark green foliage. Neat trouble free growth to 70cm. Ideal for classic rose beds or pots.

GOLD BUNNY

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush up to 80 cm high, single or in small clusters on medium stems.

GOLDEN BEAUTY

Gold in every sense. The glowing amber, high centred blooms are produced in large clusters on a very healthy compact bush of dark green leaves. Fragrant blooms that don't fade. 1.5m.

Roses 2021

Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

HEAVEN ON EARTH

Large cupped and full blooms of soft peach apricot sit on the bush for an extended time slowly fading to cream as they age. The bush is compact and covered in mid green leaves of exceptional health. 1.2m.

IT'S MAGIC

Blooms with a magical burst of red and white stripes and a hint of yellow in the centre. Light green leaves on an upright bush, this rose will be a standout in any garden. Height to 1m.

JANE MCGRATH

This attractive, quartered Old English style. Lightly scented small blooms are produced in clusters on slightly arching canes and last well in the vase. Great for pots or mass planting with growth to 1m x 80cm.

JUBILEE 150

A multi-coloured rose of spectacular colouring in rust, lemon yellow, orange and red. The Floribunda type heads contain three to six blooms per stem.

JULIA'S ROSE

With unique coffee and fawn colours, this rose is a favourite for floral arrangements. A good healthy variety.

MAKE A WISH

Named for the Make-A-Wish Foundation. Clothed in clusters of cream to white blooms with a soft apricot centre. Blooms have a light sweet fragrance and sit amongst dark green, glossy foliage to 1m tall.

MY HERO

Abundance of classic large, pink blooms stand-out from the lush glossy dark green foliage, complimented by a strong fragrance. Highly disease resistant. Approx to 1.1m tall.

PARKINSON'S PASSION

Vibrant orange buds open to semi-double blooms which soften to lighter shades with hints of pink on the ageing petals. Large clusters averaging 25 blooms per stem throughout the season.

SENTIMENTAL

The overall appearance of stripes in a combination of burgundy-red and creamy white swirls. These unusual blooms are produced freely and carry a spicy fragrance. Deep green foliage. Height to 1.2m.

SEDUCTION

Medium large semi-double blooms. Pink, edges paling to cream, buff yellow centres. Clusters to 10 blooms. Very free long lasting cut flowers.

SEXY REXY

Fully double, pink flowers are produced continuously in large clusters. An easily maintained compact, disease resistant bush.

SOUL MATE

Old fashion blooms in lemon tones of butter gold, topped off with a licorice spice fragrance. Perfectly rounded habit, super glossy leaves and great disease resistance. Height 1.2m.

Roses 2021

Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

SOUL SISTER

Milky chocolate buds opening to latte coffee and ending in soulful lavender. A very elegant and unusual flower sitting on a healthy rounded bush with a light tea fragrance. 1.5m high.

SUMMER ROMANCE

Magnificent mid pink, fully double and quartered blooms adorn an upright bush to around 80cm tall. Emitting a captivating scent of spicy apples and a hint of liquorice on a bush with dark green foliage.

THANK YOU

Named for Transplant Australia. Produces clusters of fully petalled blooms that have a most desirable mauve colour, along with a delicate fragrance and dark leaves. Approximately 1.2m tall.

THE GOLDEN CHILD

Large bright yellow blooms are produced in clusters on a healthy bush coated in mid green leaves. Added to this lovely plant is a pleasing moderate fragrance.

WILDCAT

Eye-catching blooms in shades of yellow and orange. Flowers are produced in clusters of 5-6 per stem all season, even in extreme heat. Hardy and disease free with a mild fragrance. 80cm tall x 40cm.

Roses 2021

Climbing

Climbers can be used in a multitude of situations, limited only by your imagination. For best results, espalier the long canes into a horizontal position to promote lateral growth. Do not prune for the first two seasons and only to remove dead wood and unproductive growth. Allow time for the plants to establish themselves. Do not prune until the third or fourth season and try to leave the long canes.

ALOHA

Deep orange-red buds open to very double blooms of apricot, combined with shades of pink and red. Complemented by a delicate, fruity fragrance. Disease resistant climber with strong, thorny canes.

AMADEUS

Moderate climber with double, shining red flowers, produced in clusters of 5-7 repeatedly all season. Very healthy, dark green, glossy foliage on a bushy, upright climber to 2.5m tall. Slight species fragrance.

BLUSHING PIERRE

Beautiful old fashioned creamy white to pink flowers bloom constantly and carry a mild classic rose scent. The abundant foliage is lush, glossy deep green and healthy. 3m x 2m.

CECILE BRUNNER

Vigorous climbing sport of the bush variety. Small perfect double pink blooms, flowering mainly in spring. Fragrant.

GOLD BUNNY

Ruffled, golden yellow blooms held in large clusters shine against the distinctive deep green foliage. Repeat flowering. 3m tall.

HARMONIZE

Masses of beautiful cream open blooms with pink blushes and the tell-tale Persica Hybrid eye in red. Blooms will fade to an attractive blush white.

ICEBERG

Nicely shaped pure white blooms cover the plant all season. Growth up to 5 metres but not overly rampant. Continually in bloom. Fragrant.

JUST JOEY

A sport of the ever popular Just Joey. Large decorative coppery orange to buff blooms with waved and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented.

LORRAINE LEE

An evergreen climber with long pointed buds that open to double, cupped blooms of coral pink. Rich green glossy foliage. Repeat flowering. Fragrant. Growth to 3m high and 2m wide.

PEACE

Vigorous sport of the well known and popular 'Peace'. Double yellow, flushed pink blooms. Repeat flowering.

PIERRE DE RONSARD

White to pale pink blooms deepening to carmine in the centre. Flowers freely and repeatedly. Fragrant. Ideal as a Pillar Rose. Inducted into the Rose Hall of Fame 2006. Approximately 2.5m spread.

PINKIE

Clusters of candy-pink flowers cover this climber of manageable vigour all season. Bright green, glossy foliage. Sweetly fragrant. Approximately 3m spread.

Roses 2021

Climbing

Climbers can be used in a multitude of situations, limited only by your imagination. For best results, espalier the long canes into a horizontal position to promote lateral growth. Do not prune for the first two seasons and only to remove dead wood and unproductive growth. Allow time for the plants to establish themselves. Do not prune until the third or fourth season and try to leave the long canes.

RED PIERRE

This climber produces masses of large, burgundy red, very double, cupped blooms with that 'old world' charm and elegance. Lightly fragrant. Healthy, lush, deep green foliage. Coverage 3m.

Roses 2021

Modern Shrub

These Modern Shrub Roses are the ideal choice where a mass of colour is desired. Vigorous and hardy, they can create colourful hedges and borders with many of the taller varieties able to be used as small climbers. Planting distance and width will be similar to the indicated height. Hedges can be planted slightly closer together. Plant approximately 1m apart.

ADDICTIVE LURE

A strong, healthy upright bush produces deep open cup shaped blooms in loose clusters, as well as individually to a stem. Colour varies depending on the sun intensity from candy pink to creamy apricot.

BETTY CUTHBERT

Large clusters of soft apricot blooms have an almost camellia-like arrangement. With dense, disease-free growth to 1.5m tall, it is perfect for hedging.

CARAMELLA

Medium to tall healthy plant, producing heads of three to five to a stem. As can be imagined, the colour is a caramel apricot. Very hardy.

GALLIPOLI CENTENARY

This stunning rose was carefully selected to commemorate one of the most significant moments in Australia's history, the Gallipoli Centenary in 2015. Deep red blooms. 1.2m.

LIONESS

The blooms are large and slightly cupped in a buff golden yellow which are produced at all levels of the plant surrounding it with a moderate fragrance. Growing to a height of 3m it does not require support

SKYLIGHT

Blooms of sunny yellow, edged with a touch of pink, are evenly spaced in clusters along each long stem. The bush is covered in dark to mid green healthy leaves with long arching canes.

SUMMER MEMORIES

An Old-World style fragrant, double bloom in a warm creamy shade of white covers a dense bush with fantastic disease resistance. Approx. 1.5m tall x 80cm wide.

ZAIDE

A beautifully strong fruity fragrance emanates from this nostalgic bloom that is rain-resistant. Pink flowers are large, fully petalled and repeat well throughout the season on a robust and healthy bush.

Roses 2021

David Austin

David Austin Roses (English roses) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

A SHROPSHIRE LAD

Large, strong-growing shrub for a position further back in the garden that can be trained as a climber. Soft pink-peach double, large blooms with rosette formation. Very fruity fragrance. Almost thornless. 2m tall x 1.5m wide.

ABRAHAM DARBY

Large shrub with many-petalled flowers of apricot to yellow. Strong and disease resistant. Fragrant. 1.5m tall. Good as a cut flower.

BATHSHEBA

Beautiful blend of subtle apricot-pink and soft yellow, giving the overall impression of apricot, with creamy outer petals. There is a superb floral myrrh fragrance, with hints of honey and Tea.

BENJAMIN BRITTEN

Attractive red, deep cupped flowers. Medium height; vigorous, with dense growth and foliage. Fragrance is intensely fruity with aspects of wine and pear drops. 1.2m tall.

BROTHER CADFAEL

Giant globular medium pink blooms of almost peony proportions. Medium to large shrub. Strong fragrance. 1.2m tall.

CLAIRE AUSTIN

Cupped buds of pale lemon, gradually open to form large, creamy white flowers of a typical English Musk delicacy and strong fragrance.

COMTES DE CHAMPAGNE

Rich yellow flowers gradually turn to a pale yellow as they open, forming a perfect cup. Wide, low and bushy growth producing flowers on slender stems. Honey and musk fragrance. 1m tall x 1m.

CROWN PRINCESS MARGARETA

A tall, slightly arching shrub. Large, neatly formed rosette shaped flowers of apricot-orange. Strong, fruity Tea Rose fragrance. 1.8m x 1.4m, or can be grown as a pillar rose.

ELLEN

Double flowers of apricot, deepens at centre. Strong shrub and fragrant. 1.3m tall.

GERTRUDE JEKYLL

Medium-tall healthy, strong growth. Large fully double bloom in rich pink. Strong scent. 1.3m tall. Can be used as a moderate climber.

GOLDEN CELEBRATION

Very large deeply cupped flowers of rich golden yellow. A very good shrub with ideal rounded habit of growth, dark glossy green foliage. Exceptional fragrance. 1.5m tall.

GRACE

Lovely pure apricot - darker in the middle, paler towards the edges. The blooms are shallowly cupped, slowly opening to form a perfect rosette with the outer petals reflexed. Repeat flowers. Warm and sensuous fragrance.

Roses 2021

David Austin

David Austin Roses (English roses) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

GRAHAM THOMAS

Cupped shaped blooms of rich, pure yellow have a strong tea rose fragrance. It has an upright growth habit that can be trained as a spectacular climber or bushy shrub. Highly recommended.

JUBILEE CELEBRATION

The large domed flowers are of a rich salmon-pink with tints of gold on the underside of the petals. Blooms hold above the foliage. Fruity rose scent with hints of fresh lemon and raspberry. 1.2m x 1.2m.

JUDE THE OBSCURE

Very large, highly fragrant pale yellow to apricot flowers. Very strong, healthy growth that repeats well. There are few more magnificent roses than Jude the Obscure. 1.5m tall x 1.2m.

LADY OF SHALOTT

Rich orange-red buds with slight fragrance. Each petal has a salmon pink upper side with golden-yellow reverse. Can be used as a moderate climber. Height 1.2m or 2.5m when supported.

MUNSTEAD WOOD

Large, velvety crimson blooms in the distinctive English style. Strong Old Rose fragrance. Medium size bush with good disease resistance. About 1m - 1.2m tall.

PAT AUSTIN

The large, semi-double and deeply cupped flowers are bright copper with a pale copper-yellow reverse. Growth is strong and healthy on a relaxed bush up to 1.2m tall. Tea-scented fragrance.

PRINCESS ALEXANDRIA OF KENT

Large full blooms of warm, glowing pink on a well rounded shrub. There is a delicious fresh tea fragrance that changes to a lemon scent as the flower ages. 1m tall.

PRINCESS ANNE

Upright bush with thick healthy foliage and deep pink blooms in large clusters. Medium strength tea rose fragrance to this compact bush. Ideal for borders or hedging. Approx 1m tall.

ROALD DAHL

Soft orange-red buds open to medium-sized, cupped rosettes of perfect apricot colouring. They are extremely robust and have a lovely fruity Tea scent.

SHARIFA ASMA

The blooms are shallowly cupped at first and gradually reflexed to form a perfect rosette. Delicate blush pink, fading to almost white on the outer petals. A short, upright bush. Strong fragrance. 1.2m tall.

SUMMER SONG

The fully open burnt orange flower is cup shaped with a strong, mixed fragrance of chrysanthemum leaves, ripe bananas and tea. It forms a bushy, upright shrub. Okay as a cut flower. 1.2m x 90cm.

TEASING GEORGIA

The centre petals are rich deep yellow, while the outer petals fall back and fade to palest yellow, providing a two-tone effect. Very strong, fragrant, graceful growth forming a large shrub, 1.2m tall.

Roses 2021

David Austin

David Austin Roses (English roses) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

THE LADY GARDENER

Large, pure apricot full rosettes, with a strong delicious tea fragrance with hints of cedar wood and vanilla. The upright bush repeat flowers quickly and is very healthy. Approx 1.2high x 80cm wide.

THE POET'S WIFE

Large cupped blooms of rich yellow which pale as they age. Produced in small clusters. The fully double blooms contain a wonderful fruity fragrance with hints of lemon. Low rounded shrub to 1.2m. Approx 1m tall x 1m wide.

THE WEDGWOOD ROSE

The large blooms of soft rose pink, have a delicate, almost gossamer-like quality with a lovely fruity fragrance. The growth is exceptionally vigorous, sending up many shoots.

TRANQUILLITY

Beautifully shaped blooms of neatly placed petals that form a perfect rosette. The buds are lightly tinged yellow, maturing to pure white, producing a light apple fragrance.

WILLIAM MORRIS

Tall shrub with attractive, arching growth. Apricot-pink flowers are of a formal rosette shape and have a strong fragrance. Excellent repeat flowering and good disease resistance. 1.5m tall.

WOLLERTON OLD HALL

Very fragrant plump buds with flashes of soft apricot, paling to cream. Healthy, upright and bushy growth, with minimal thorns which can also be used as a climber. Grows to 1.6m x 1.25m or up to 3m as a climber.

YOUNG LYCIDAS

Large, deeply-cupped blooms with a delicious fragrance nod gracefully on the plant. A blend of very deep magenta, pink and red - the outer petals tending towards light purple. Bushy shrub, approx 1.2m x 90cm.

Roses 2021

Standard Roses – Hybrid Tea, Floribunda and David Austin

Standard roses, also referred to as stem roses, are grafted at a height of 90cm and are a variation of the normal bush rose. Ideal for adding height to a garden and can also create a formal appearance if planted in a row.

Plant approx. 1.2m apart.

BLACKBERRY NIP (HT)

This shapely magenta purple bloom comes on a long stem with a delicious fragrance. The blue-grey hue in its dark green foliage sets the plant off perfectly.

DOUBLE DELIGHT (HT)

Large double blooms of white to cream. Heavily flushed and edged carmine to red. Bushes are of medium size, of good health and vigour with long strong stems. Strong fragrance.

FEARLESS (HT)

Vibrant orange blooms with a paler reverse surrounded by mid green leathery foliage is produced on a tidy upright bush. Growth is to 1.5m.

FRAGRANT PLUM (HT)

A deep lilac rose, edged rich purple, with a high centre. Strong perfume.

HEAVEN SCENT (HT)

An intense old damask rose fragrance accompanies large blooms sitting on long stems with few thorns. A desirable rose.

JUST JOEY (HT)

Large decorative coppery orange to buff blooms with waved and filled petals. Strong tough growth. The unique coloured flowers are sweetly scented.

MISTER LINCOLN (HT)

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

MOTHER'S LOVE (HT)

Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance.

PEACE (HT)

The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Probably the most popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976.

PERFUME PASSION (HT)

The beautiful pink blooms are produced in abundance on long, almost thornless stems, and are enhanced by the deliciously strong fragrance that keeps you coming back for more.

POPE JOHN PAUL II (HT)

Producing luminous, pristine, lavishly petalled blossoms. This rose has won trophies and medals all around the world for fragrance, vigour and superior disease resistance.

ANGEL FACE (F)

Fragrant deep mauve double flowers with wavy petals. Strong upright bush. Dark green, semi-glossy foliage. Ideal as a bedding rose. Continuous flowering.

Roses 2021

Standard Roses – Hybrid Tea, Floribunda and David Austin

Standard roses, also referred to as stem roses, are grafted at a height of 90cm and are a variation of the normal bush rose. Ideal for adding height to a garden and can also create a formal appearance if planted in a row.

Plant approx. 1.2m apart.

GOLD BUNNY (F)

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush, singly or in small clusters on medium stems.

ICEBERG (F)

Pure white double blooms are produced continuously all season. A healthy bush ideal for massed display, also popular as a standard.

JANE MCGRATH (F)

This attractive, quartered Old English style. Lightly scented small blooms are produced in clusters on slightly arching canes and last well in the vase.

TEQUILA SUNRISE (F)

A many petalled rose with blooms of yellow heavily flushed red. A very showy and bright rose of good health and vigour. This rose has won many awards including 3 Gold Medals.

MARY ROSE (DA)

Large, loosely-petalled, double pink flowers of Old Rose character. Excellent habit of growth, flowers repeatedly throughout the season. Fragrant.

MUSTEAD WOOD (DA)

Large, velvety crimson blooms in the distinctive English style. Strong Old Rose fragrance. Medium size bush with good disease resistance.

ELLIE (MINIATURE) 60CM

Beautiful mix of tropical colours on a healthy bush. Well formed orange flowers have a flush of red on the petal edges, which is enhanced as the bloom ages providing a nice blend of colour.

Roses 2021

Miniature Bushes

These are the smallest of the roses with flowers that are usually less than 5cm across. Generally the bushes grow to no more than 50cm in height. Ideal for borders, pots or small gardens.

Plant approx. 30cm to 50cm apart.

BABY BOOMER

Beautifully formed large miniature exhibition blooms of mid pink are produced in flushes throughout the season. Borne singly on a tall, bushy plant with semi-glossy, medium green foliage. 60-90cm tall.

BABY JACK

An abundance of pure white blooms produced in even clusters, may have a tinge of pink during hot weather. Medium height.

DWARF FAIRY

Large clusters of an intense orange-red, create an eye catcher for every garden. The high disease resistance guarantees minimal maintenance, and it has a compact growth of a height of 40cm.

LITTLE SUNSET

Spectacular clusters of yellow blooms with red outer petals. A neat and compact growth habit is further enhanced by glossy green foliage making this an ideal choice for pots.

MAGIC SHOW

Upright growth to 75cm with dark green glossy foliage that is disease resistant. Medium to large blooms of exhibition form with high centres.

THE FAIRY

Double pink continuous flowers fading to white. A low growing and semi-prostrate variety that can be used as a climber. Recommended.

Roses 2021

Heritage Roses

Heritage Roses are any variety 75 years old or older. They are often sought after for their amazing variety of growth habit, foliage and hips which are complemented by the wide diversity of blooms. The majority have exquisite fragrance. They are often vigorous and can be found in old homesteads and cemeteries thriving on decades of total neglect.

BUFF BEAUTY

Lovely large, fully double apricot blooms fade to white on a beautiful Hybrid Musk bush. A vigorous grower with mid green leaves can be used as a shrub or climber. Strong Tea fragrance.

CREPUSCULE

Informal apricot to yellow blooms. The virtually thornless plant can be allowed to grow as a large sprawling shrub or trained as a moderately vigorous climber. Repeat flowering with good fragrance.

LORRAINE LEE

An evergreen climber with long pointed buds that open to double, cupped blooms of coral pink. Rich green glossy foliage. Repeat flowering. Fragrant. Growth to 3m high and 2m wide.

MME ALFRED CARRIERE

Masses of white flowers all season, on a vigorous plant. Growth up to 6 metres. Healthy light green foliage. Can be grown as a large shrub or climber. Fragrant.

MUTABILIS

Open twiggly bush. Multi-colour blooms of coppery yellow that change to a pinky crimson colour as they age. Dark plum coloured stems with dark green-grey foliage. Recurrent. 2.5m tall.

WEDDING DAY

Huge clusters of apricot buds opening to single creamy-yellow flowers which quickly fade to white. Vigorous climber growing to 10 metres. Citrus Fragrance and decorative Hips. Recurrent.

Roses 2021

Ground cover

Ground Covers are extremely hardy and healthy. Generally they are very easy to grow and can withstand reasonably harsh conditions when mature. They flower with enormous freedom and continuity yet require little pruning. Very versatile, they are ideally suited for mass planting, borders, small gardens and pots.

Average height to 50cm but width can vary.

BUSY BEE

Not a true ground cover, but more a compact low growing floribunda. A very healthy, versatile variety. Flowers of mid salmon-pink are produced en masse. 50cm tall.

GARDENER'S PLEASURE

Small cherry red blooms are produced in clusters on a spreading, very healthy plant. An excellent ground cover, capable of growing 1.5m wide by 50cm high.

LITTLE CHAP

This true prostrate ground cover produces a multitude of small, fully double, bright pink blooms all season. Approx. 30cm high by 80cm wide.

MANY HAPPY RETURNS

An outstanding variety with large semi-single pale pink blooms. The arching canes give masses of flower from ground level. Approx. 60cm high by 90cm wide. Fragrant.

OUR ROSY CARPET

Masses of semi-double, rose pink blooms are produced continuously. Extremely healthy and hardy. Approx. 80cm high x 1.2m wide.

SUMMER FAIRYTALE

Bright pink, semi-double blooms with yellow stamens cover the spreading but compact plant all season. A very healthy plant which is continually repeat flowering. Approx 45-75cm high by 90-150cm
