

# Roses 2022

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

### ABRACADABRA

An exciting colour of red and yellow, whereby each bloom magically displays its own colour combination. An attention grabber. Small to medium sized blooms. 1m tall.

### AUGUSTA LUISE

Large fragrant blooms with nostalgic olde world form, borne singly and in clusters of 3-5. The confection of soft colours will gladden the heart of the beholder. A hardy, vigorous plant 1.2m tall.

### BEST FRIEND

Vibrant blooms of deep, hot pink accompanied by a strong sweet perfume. Large, light green leaves and excellent health. Named by the RSPCA to celebrate 4 legged friends.

### BEWITCHED

Clear pink, often with a hint of salmon with glossy green foliage. The high-centred and very long lasting flowers have a strong fragrance. Repeat flowering.

### BLACK MAGIC

Very elegant, large dark black red blooms. Vigorous, tall, upright growth producing blooms mainly on single stems. A dual purpose rose for the garden and cut flower production. 1.8m tall.

### BLACKBERRY NIP

This shapely magenta purple bloom comes on a long stem with a delicious fragrance. The blue-grey hue in its dark green foliage sets the plant off perfectly. 1.5m x 1m.

### BRILLIANCE

Pure white blooms shine like beacons in a continuous and breathtaking display. Highly perfumed, each flower simply bursts with a pleasurable and intense scent.

### CANDY STRIPE

Very large, dusty pink striped blooms are produced in abundance on a vigorous, upright bush. Fragrant.

### CHICAGO PEACE

A sport of Peace, this very large, full bloom is heavily marked in deep pink with a base of canary yellow and of exhibition form. Tall growth with large glossy dark green foliage.

### CINDERELLA

A very healthy, strong growing rose with large rounded pink blooms that have a slight fragrance. The long stems have few thorns and dark green glossy foliage. A highly productive cut flower variety.

### DAME ELISABETH MURDOCH

A truly exceptional Hybrid Tea, healthy and vigorous. The flowers are medium to large with good form and quality in a magnificent blend of colours. Highly recommended.

### DARK DESIRE

From buds that are almost black, the cupped flowers emerge with a unique violet-red before maturing into a violet purple. Sophisticated fragrance of floral and fruity aspects. Height to 1.2m.

# Roses 2022

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

**DIAMOND JUBILEE**  
Buff yellow exhibition blooms with a strong fragrance. Vigorous and disease resistant.

**DOUBLE DELIGHT**  
Large double blooms of white to cream with heavily flushed and edged carmine to red. Bushes are of medium size, vigorous and of good health, with long strong stems. Strong fragrance.

**DUET**  
Two-tone pink rose that is attractive and popular. Easy to grow. This variety is hardy, vigorous and flowers profusely. A great bedding rose.

**EARTH GODDESS**  
A sport of the ever popular Augusta Luise. Large, fragrant full blooms with a divine fragrance in beautiful creamy yellow hues, on a vigorous plant to 1.2m tall.

**FATHER'S LOVE**  
Dark velvety red, fully petalled blooms with a lasting fragrance of spice. Deep green foliage. Named in support of Australia's Centre for Men's Health.

**FIREFIGHTER**  
Rich velvet red in colour, producing long stemmed, intensely fragrant blooms of cut flower quality. A medal winner at the 2008 National Rose Trial Awards. Exhibition quality. Approx 1.6m tall.

**FIRE & ICE**  
A bi-colour sensation of cherry red and white. This brilliant Hybrid Tea won a Gold Medal at the 2005 National Rose Trials. Growth to 1.5m.

**FRANCIS MEILAND**  
Named to honour the breeder of the Peace Rose. Soft shell pink flowers with a high centred bud opening to a cupped bloom of perfect formation, filled with a rich fruit and citrus scent.

**GOLD MEDAL**  
Yellow, lightly flushed pink. Very good, clean, healthy foliage. Light fragrance.

**HAPPY ANNIVERSARY**  
An excellent rose for the garden and as a supply of cut flowers. The stunning deep orange flowers are produced on long, firm, upright stems and combined with a lovely fragrance, provide a lasting display.

**HEAVEN SCENT**  
An intense old damask rose fragrance accompanies large blooms sitting on long stems with few thorns. A desirable rose.

**ISN'T SHE LOVELY**  
A true Hybrid Tea producing only single, full petalled blooms that last long in a vase. Around 1.5m tall with an upright and bushy habit. Excellent disease resistance and a pleasant fragrance.

# Roses 2022

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

### JOYFULNESS

Pastel shades of apricot, cream and pink. Large size blooms of very attractive shades, very freely produced, usually solitary on long stems. Fragrant, very strong and healthy growth.

### JUST JOEY

Large decorative coppery orange to buff blooms with wavy and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented. Rose Hall of Fame in 1994.

### LITTLE RAY OF SUNSHINE

Perfumed blooms of citrus and rose scents, on long stems. Airy, petal filled bloom of bright yellow, flowers continuously throughout the growing season. Grows to 1.5m tall. Name in support of the Australian Breastfeeding Association.

### LOVING MEMORY

A tough and hardy dual-purpose bright red rose of good form. The overall hardiness is most desirable, a good rose.

### MOTHER'S LOVE

Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance. Abundant deep green foliage on a healthy bush reaching 1.5m.

### OKLAHOMA

A very dark red rose with large double blooms of 45 to 55 petals. Flowers are produced on long stems and are very fragrant. A vigorous plant with lovely dark green foliage.

### OUR COPPER QUEEN

Large, fragrant, golden yellow blooms. The bush is capable of growing to about 1.5 metres, producing long stems with mainly one flower to a stem. The colour holds well without fading.

### PAPA MEILLAND

Prized for its dark velvet red, exhibition blooms that have a deep, heavy fragrance. An upright, vigorous bush to 1.2m. A good and very popular rose. Inducted into the Rose Hall of Fame in 1988.

### PEACE

The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Very popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976. Makes an excellent standard.

### PERFUME DELIGHT

Large well formed blooms of deep pink with purplish tones. Lighter on the petal reverse with a spicy fragrance.

### PERFUME PASSION

Beautiful pink blooms are produced in abundance on long, almost thornless stems, and are enhanced by the deliciously strong fragrance. This disease free, strong bush will reach 1.5m tall x 60cm wide.

### POPE JOHN PAUL II

Producing luminous, pristine, lavishly petalled blossoms, this elegant rose grows in the Vatican's private garden. It has won trophies for fragrance, vigour, and superior disease resistance.

# Roses 2022

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

### PURE BLISS

A very rewarding soft two tone pink rose with a hint of apricot as the bloom develops. Large elegant blooms which repeat quickly. 1.5m tall.

### REMEMBER ME

Extremely strong healthy dense foliage of medium tall habit. The blooms are a blend of fawn, cream, yellow and salmon, deepening in hot weather. Very unique.

### SIR DONALD BRADMAN

A large, strongly fragrant rose of deep red. Blooms are predominately borne on single stems. Named after the great Australian cricketer.

### SPIRIT OF PEACE

Lovely well formed flowers in a very unusual colour of dark cream bluff. Plant habit is medium tall, with very light green stems and foliage. Healthy, vigorous and very fragrant.

### SUGAR MOON

Pure white pointed blooms framed in dark green foliage and a strong, sweet perfume. Great for the vase. A perfect white rose to sweeten every garden.

### SUSAN

This different, strongly fragrant variety produces blooms of pale to mid pink, occasionally flushed brighter pink. Growth is robust, with plentiful strong leathery foliage.

### SWEET MEMORY

Names for Alzheimer's Australia Vic. Masses of clear pink blooms are produced on a vigorous and healthy bush covered in dark green, glossy leaves. Slight species fragrance.

### THE CHILDREN'S ROSE

The light pink, many petalled blooms are very fragrant. A strong and healthy bush which will grow to about 1.5m tall.

### THE JUBILEE ROSE

The yellow, fragrant blooms have a contrasting red petal edge and are borne on long stems. Prolific, displaying intense colour throughout the season.

### THE RSL ROSE

Striking tones of burgundy and soft amber. =Mirroring the colours of dawn and dusk, each classic shaped bud opens to produce an informal flower borne on long stems of glossy deep green foliage.

### THE SISTERS ROSE

Pastel mix of cream, yellow and pink tones make each flower feel hand painted. Airily fragrant and hardy blooms flower throughout the season.

### WARM WISHES

Large flowers in glowing colours range from creamy apricot to warm amber pink. Sweet fragrance and a strong healthy plant.

# Roses 2022

## Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

### AFTERNOON DELIGHT

Compact growth habit with clusters of large double flowers in soft apricot that changes to pink as the flowers age. With a sweet moderate fragrance and excellent disease resistance. 1m tall.

### APRIKOLA

Abundant, deep apricot-yellow bud, changing to apricot pink as the flower develops. Semi-double flowers are produced in abundance on a wide, well branched bush up to 80cm tall.

### BENGALI

An abundance of fully double blooms open to large cups in a very attractive apricot. Upright growth to 1m high and 50cm wide.

### BOLD SEDUCTION

Darker sport of the Seduction. Exquisite petals of deep sunset pink and ivory cream combine to form sensuous semi-double blooms of porcelain perfection. Light fragrance 1m x 90cm wide.

### BONICA

Shrub-type rose with masses of soft pink double blooms. Easy to grow, disease resistant and flowers continuously. Ideal for a low hedge or mass plantings.

### CAYENNE

A fiery, compact, upright bush well suited to mass planting. Masses of semi-double velvet red blooms. Not only Bee friendly but suitable for part shade as well. A very versatile plant. 1m x 70cm

### COCONUT ICE

Musk pink with a soft white on the reverse of each petal in an Old English form. Neat, upright bush grows to 1.2m producing firm stems that hold clusters full blooms that have a mild fragrance.

### EARTH ANGEL

Exceptionally fragrant old world shaped flowers opening from dark pink buds. The colour evolves to a delicate pink and the blooms give off an intense fragrance of lemon and apple. Approx 70cm tall.

### ESPRESSO

Coffee brown, semi double petals with a bright yellow centre. Extremely healthy foliage with an upright growth. Growth to approximately 75cm tall and 50cm wide.

### EYES FOR YOU

Reminiscent of an oriental poppy, it is a cluster-flowered shrub, with medium to large, cupped, semi-double blooms, opening in a pale pink shade, ageing to white, with a purple blotch at the centre.

### FAIRYTALE MAGIC

Fully petaled, light pink blooms with an apricot center and an enchanting fragrance sit on an extremely healthy upright bush to 90cm tall.

### FIRST CRUSH

The high-centred buds open to nostalgic shaped cups in a delicate pastel pink. Exceptional fruity fragrance and healthy foliage. A bushy plant with vigorous growth to a height of 1m tall x 80cm wide.

# Roses 2022

## Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

### GARDEN DELIGHT

The high-centred buds will open to fully double cup shaped blooms, where the delightful blend of yellow and intense red varies with the climate. Growing to an average of 80cm tall.

### GOLD BUNNY

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush up to 80 cm high, single or in small clusters on medium stems.

### GOLDEN BEAUTY

Gold in every sense. The glowing amber, high centred blooms are produced in large clusters on a very healthy compact bush of dark green leaves. Fragrant blooms that don't fade. 1.5m.

### HAPPY BIRTHDAY

Compact with bright yellow buds, which change to light apricot and fade to cream when fully opened, showing their bright yellow stamens. A light fragrance. Height up to 140cm.

### HEAVEN ON EARTH

Large cupped and full blooms of soft peach apricot sit on the bush for an extended time slowly fading to cream as they age. The bush is compact and covered in mid green leaves of exceptional health. 1.2m.

### HOT COCOA

Pointed buds of deep rust unfurl to reveal a chocolate haze of velvet-smoked tones inclined to a purplish cast. Glossy foliage with ruffled fragrant flowers.

### ICE PRINCESS

'Bee friendly' rose with large open cupped blooms in off white with sun kissed pink edging. Subtle fragrance. Perfect for pots and borders, small hedges or garden. 1m x 50-80cm.

### IMPALA

Intense apricot blooms that softens to lighter shades with age. Good repeat flowering creates a neat dense bush covered in glossy green leaves. Tough and bushy, it can handle the heat. Growth to 80cm.

### JUBILEE 150

A multi-coloured rose of spectacular colouring in rust, lemon yellow, orange and red. The Floribunda type heads contain three to six blooms per stem.

### LOVE AFFAIR

Large, fragrant rosettes hold well in a swirl of pink and apricot. Blooms are produced in masses. A healthy upright bush with mid green leaves on strong canes. The bush grows to an average of 1m high.

### MERRY MAKER

Bushy upright growth with recurrent semi-double blooms will bring a brilliant burst of colour and cheer. This gorgeous floribunda grows only 50cm x 50cm. Looks brilliant planted en masse.

### PARKINSON'S PASSION

Vibrant orange buds open to semi-double blooms which soften to lighter shades with hints of pink on the ageing petals. Large clusters averaging 25 blooms per stem throughout the season.

# Roses 2022

## Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

### SCENTIMENTAL

The overall appearance of stripes in a combination of burgundy-red and creamy white swirls. These unusual blooms are produced freely and carry a spicy fragrance. Deep green foliage. Height to 1.2m.

### SEDUCTION

Medium large semi-double blooms. Pink, edges paling to cream, buff yellow centres. Clusters to 10 blooms. Very free long lasting cut flowers.

### SOUL MATE

Old fashion blooms in lemon tones of butter gold, topped off with a licorice spice fragrance. Perfectly rounded habit, super glossy leaves and great disease resistance. Height 1.2m.

### SOUL SISTER

Milky chocolate buds opening to latte coffee and ending in soulful lavender. A very elegant and unusual flower sitting on a healthy rounded bush with a light tea fragrance. 1.5m high.

### SUMMER ROMANCE

Magnificent mid pink, fully double and quartered blooms adorn an upright bush to around 80cm tall. Emitting a captivating scent of spicy apples and a hint of liquorice on a bush with dark green foliage.

### SWEET HONEY

Large clusters of honey apricot blooms with a fruity fragrance are produced with up to 50 buds per stem. Great repeat ability. Glossy green leaves. Suited to hedges and pots. Height to 1m.

### TEQUILA SUNRISE

A many petalled rose with blooms of yellow heavily flushed red. A very showy and bright rose of good vigour. Height 80cm.

### THANK YOU

Named for Transplant Australia. Produces clusters of fully petalled blooms that have a most desirable mauve colour, along with a delicate fragrance and dark leaves. Approximately 1.2m tall.

### THE GOLDEN CHILD

Large bright yellow blooms are produced in clusters on a healthy bush coated in mid green leaves. Added to this lovely plant is a pleasing moderate fragrance.

### WILDCAT

Eye-catching blooms in shades of yellow and orange. Flowers are produced in clusters of 5-6 per stem all season, even in extreme heat. Hardy and disease free with a mild fragrance. 80cm tall x 40cm.

# Roses 2022

## David Austin

David Austin Roses ( English roses ) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

### A SHROPSHIRE LAD

Large, strong-growing shrub for a position further back in the garden that can be trained as a climber. Soft pink-peach double, large blooms with rosette formation. Very fruity fragrance. Almost thornless. 2m tall x 1.5m wide.

### ABRAHAM DARBY

Large shrub with many-petalled flowers of apricot to yellow. Strong and disease resistant. Fragrant. 1.5m tall. Good as a cut flower.

### BENJAMIN BRITTEN

Attractive red, deep cupped flowers. Medium height; vigorous, with dense growth and foliage. Fragrance is intensely fruity with aspects of wine and pear drops. 1.2m tall.

### CHARLES DARWIN

Bold, large yellow flowers, mustard in tone. The blooms are full and deeply cupped at first, but open to a shallower flower, usually revealing a button eye. Strong, delicious fragrance.

### CLAIRE AUSTIN

Cupped buds of pale lemon, gradually open to form large, creamy white flowers of a typical English Musk delicacy and strong fragrance.

### CROWN PRINCESS MARGARETA

A tall, slightly arching shrub. Large, neatly formed rosette shaped flowers of apricot-orange. Strong, fruity Tea Rose fragrance. 1.8m x 1.4m, or can be grown as a pillar rose.

### DAME JUDI DENCH

Striking, red-tipped buds open to reveal large informal rosettes rich in shades of apricot-orange, paling towards the edges. Very resistant to rain damage and the petals drop neatly. Light-medium tea scent.

### DARCEY BUSSELL

The medium sized flowers of deep rich crimson develop into a beautiful rosette and are produced freely with excellent continuity. It has a pleasing fruity fragrance. 1.2m tall.

### FALSTAFF

Large, cupped flowers of rich, dark crimson turn a pleasing shade of rich purple as the blooms age. Strong, bushy and rather upright growth. Powerful Old Rose fragrance. 1.6m x 1m.

### GERTRUDE JEKYLL

Medium-tall healthy, strong growth. Large fully double bloom in rich pink. Strong scent. 1.3m tall. Can be used as a moderate climber.

### GOLDEN CELEBRATION

Very large deeply cupped flowers of rich golden yellow. A very good shrub with ideal rounded habit of growth, dark glossy green foliage. Exceptional fragrance. 1.5m tall.

### GRACE

Lovely pure apricot - darker in the middle, paler towards the edges. The blooms are shallowly cupped, slowly opening to form a perfect rosette with the outer petals reflexed. Repeat flowers. Warm and sensuous fragrance.

# Roses 2022

## David Austin

David Austin Roses ( English roses ) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

### GRAHAM THOMAS

Cupped shaped blooms of rich, pure yellow have a strong tea rose fragrance. It has an upright growth habit that can be trained as a spectacular climber or bushy shrub. Highly recommended.

### HERITAGE

Flowers are medium-sized, prettily cupped in shape and of a soft pink colour. Flowers repeatedly and regularly with a strong fragrance. Growth, relaxed at first, soon builds into a good bushy shrub.

### JAMES L AUSTIN

Bears large, many petalled, deep pink rosettes, each with a button eye. There is a light-medium strength fruity fragrance. It forms a neat and tidy shrub with a bushy, upright habit.

### JUBILEE CELEBRATION

The large domed flowers are of a rich salmon-pink with tints of gold on the underside of the petals. Blooms hold above the foliage. Fruity rose scent with hints of fresh lemon and raspberry. 1.2m x 1.2m.

### JUDE THE OBSCURE

Very large, highly fragrant pale yellow to apricot flowers. Very strong, healthy growth that repeats well. There are few more magnificent roses than Jude the Obscure. 1.5m tall x 1.2m.

### LADY OF SHALOTT

Rich orange-red buds with slight fragrance. Each petal has a salmon pink upper side with golden-yellow reverse. Can be used as a moderate climber. Height 1.2m or 2.5m when supported.

### THE LADY GARDENER

Large, pure apricot full rosettes, with a strong delicious tea fragrance with hints of cedar wood and vanilla. The upright bush repeat flowers quickly and is very healthy. Approx 1.2high x 80cm wide.

### THE POET'S WIFE

Large cupped blooms of rich yellow which pale as they age. Produced in small clusters. The fully double blooms contain a wonderful fruity fragrance with hints of lemon. Low rounded shrub to 1.2m. Approx 1m tall x 1m wide.

### TRANQUILLITY

Beautifully shaped blooms of neatly placed petals that form a perfect rosette. The buds are lightly tinged yellow, maturing to pure white, producing a light apple fragrance.

### VANESSA BELL

Pink-tinged buds open to medium sized cups held in large clusters. Pale yellow, paling to white at the edges; each has a rich yellow eye. Fragrance is similar to green tea with aspects of lemon and honey.

### WOLLERTON OLD HALL

Very fragrant plump buds with flashes of soft apricot, paling to cream. Healthy, upright and bushy growth, with minimal thorns which can also be used as a climber. Grows to 1.6m x 1.25m or up to 3m as a climber.

### YOUNG LYCIDAS

Large, deeply-cupped blooms with a delicious fragrance nod gracefully on the plant. A blend of very deep magenta, pink and red - the outer petals tending towards light purple. Bushy shrub, approx 1.2m x 90cm.

# Roses 2022

## Modern Shrub

These Modern Shrub Roses are the ideal choice where a mass of colour is desired. Vigorous and hardy, they can create colourful hedges and borders with many of the taller varieties able to be used as small climbers. Planting distance and width will be similar to the indicated height. Hedges can be planted slightly closer together. Plant approximately 1m apart.

### **ADDICTIVE LURE**

A strong, healthy upright bush produces deep open cup shaped blooms in loose clusters, as well as individually to a stem. Colour varies depending on the sun intensity from candy pink to creamy apricot.

### **BLACK CAVIAR**

An outstanding velvet burgundy red with strong fragrance.

### **LIONESS**

The blooms are large and slightly cupped in a buff golden yellow which are produced at all levels of the plant surrounding it with a moderate fragrance. Growing to a height of 3m it does not require support

### **SUMMER MEMORIES**

An Old-World style fragrant, double bloom in a warm creamy shade of white covers a dense bush with fantastic disease resistance. Approx. 1.5m tall x 80cm wide.

# Roses 2022

## Climbing

Climbers can be used in a multitude of situations, limited only by your imagination. For best results, espalier the long canes into a horizontal position to promote lateral growth. Do not prune for the first two seasons and only to remove dead wood and unproductive growth. Allow time for the plants to establish themselves. Do not prune until the third or fourth season and try to leave the long canes.

### BLUSHING PIERRE

Beautiful old fashioned creamy white to pink flowers bloom constantly and carry a mild classic rose scent. The abundant foliage is lush, glossy deep green and healthy. 3m x 2m.

### GOLD BUNNY

Ruffled, golden yellow blooms held in large clusters shine against the distinctive deep green foliage. Repeat flowering. 3m tall.

### ICEBERG

Nicely shaped pure white blooms cover the plant all season. Growth up to 5 metres but not overly rampant. Continually in bloom. Fragrant.

### LORRAINE LEE

An evergreen climber with long pointed buds that open to double, cupped blooms of coral pink. Rich green glossy foliage. Repeat flowering. Fragrant. Growth to 3m high and 2m wide.

### PIERRE DE RONSARD

White to pale pink blooms deepening to carmine in the centre. Flowers freely and repeatedly. Fragrant. Ideal as a Pillar Rose. Inducted into the Rose Hall of Fame 2006. Approximately 2.5m spread.

### PINKIE

Clusters of candy-pink flowers cover this climber of manageable vigour all season. Bright green, glossy foliage. Sweetly fragrant. Approximately 3m spread.

### RED PIERRE

This climber produces masses of large, burgundy red, very double, cupped blooms with that 'old world' charm and elegance. Lightly fragrant. Healthy, lush, deep green foliage. Coverage 3m.

# Roses 2022

## Standard Roses – Hybrid Tea, Floribunda and David Austin

Standard roses, also referred to as stem roses, are grafted at a height of 90cm and are a variation of the normal bush rose. Ideal for adding height to a garden and can also create a formal appearance if planted in a row.

Plant approx. 1.2m apart.

**MOTHER'S LOVE (HT)**  
Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance.

**JUST JOEY (HT)**  
Large decorative coppery orange to buff blooms with wavy and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented.

**PERFUME PASSION (HT)**  
The beautiful pink blooms are produced in abundance on long, almost thornless stems, and are enhanced by the deliciously strong fragrance that keeps you coming back for more.

**PEACE (HT)**  
The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Probably the most popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976.

**GOLD BUNNY (F)**  
The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush, single or in small clusters on medium stems.

**GOLDEN BEAUTY (F)**  
Gold in every sense! The glowing amber, high centred blooms are produced in large clusters on a compact bush of dark green leaves. A great performer in hot dry climates with fragrant blooms.

**ICEBERG (F)**  
Pure white double blooms are produced continuously all season. A healthy bush ideal for massed display, also popular as a standard.

# Roses 2022

## Miniature Bushes

These are the smallest of the roses with flowers that are usually less than 5cm across. Generally the bushes grow to no more than 50cm in height. Ideal for borders, pots or small gardens.

Plant approx. 30cm to 50cm apart.

### BABY BOOMER

Beautifully formed large miniature exhibition blooms of mid pink are produced in flushes throughout the season. Borne singly on a tall, bushy plant with semi-glossy, medium green foliage. 60-90cm tall.

### ELLIE

Beautiful mix of tropical colours on a healthy bush. Well formed orange flowers have a flush of red on the petal edges, which is enhanced as the bloom ages providing a nice blend of colour.

### FIRECRACKER

An abundance of tiny buds of blood red are borne in large clusters, covering the foliage. Buds start off deep in colour and gradually fade to a mid red as they open. A low growing, bushy plant, 80cm tall.

### MY LITTLE ANGEL

Exceptionally healthy miniature covered in masses of beautiful mauve blooms that flower late into the winter. Near evergreen, great for a pot. Just a slight fragrance. Height to 40cm tall and wide.

### SNOW KISS

With blooms slightly larger than the classic, this compact bush is covered in masses of pure white with just a hint of cream double blooms. Perfect for pots as a real showstopper.

# Roses 2022

## Heritage Roses

Heritage Roses are any variety 75 years old or older. They are often sought after for their amazing variety of growth habit, foliage and hips which are complemented by the wide diversity of blooms. The majority have exquisite fragrance. They are often vigorous and can be found in old homesteads and cemeteries thriving on decades of total neglect.

### **BUFF BEAUTY**

Lovely large, fully double apricot blooms fade to white on a beautiful Hybrid Musk bush. A vigorous grower with mid green leaves can be used as a shrub or climber. Strong Tea fragrance.

### **CREPUSCULE**

Informal apricot to yellow blooms. The virtually thornless plant can be allowed to grow as a large sprawling shrub or trained as a moderately vigorous climber. Repeat flowering with good fragrance.

### **LORRAINE LEE**

An evergreen climber with long pointed buds that open to double, cupped blooms of coral pink. Rich green glossy foliage. Repeat flowering. Fragrant. Growth to 3m high and 2m wide.

### **MUTABILIS**

Open twiggly bush. Multi-colour blooms of coppery yellow that change to a pinky crimson colour as they age. Dark plum coloured stems with dark green-grey foliage. Recurrent. 2.5m tall.

### **WEDDING DAY**

Huge clusters of apricot buds opening to single creamy-yellow flowers which quickly fade to white. Vigorous climber growing to 10 metres. Citrus Fragrance and decorative Hips. Recurrent.

# Roses 2022

## Ground cover

Ground Covers are extremely hardy and healthy. Generally they are very easy to grow and can withstand reasonably harsh conditions when mature. They flower with enormous freedom and continuity yet require little pruning. Very versatile, they are ideally suited for mass planting, borders, small gardens and pots.

Average height to 50cm but width can vary.

### **BUSY BEE**

Not a true ground cover, but more a compact low growing floribunda. A very healthy, versatile variety. Flowers of mid salmon-pink are produced en masse. 50cm tall.

### **SUMMER FAIRYTALE**

Bright pink, semi-double blooms with yellow stamens cover the spreading but compact plant all season. A very healthy plant which is continually repeat flowering. Approx 45-75cm high by 90-150cm
