

# Roses 2025

## Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

### AFRIKAANS

Vivid is the best way to describe this colour. The strong orange blooms with a golden reverse can be seen easily from a distance. A must for gardeners who like bright colours. Height to 1.2m.

### ANGEL FACE

Fragrant deep mauve double flowers with wavy petals. Strong upright bush. Dark green, semi-glossy foliage. Ideal as a bedding rose. Continuous flowering.

### BLUE FOR YOU

Semi-double flowers that begin as rich purple mauve, fading to a striking slate blue. A healthy, free flowering plant that blooms over a long period. Strong scent, reminiscent of violets.

### BONICA

Shrub-type rose with masses of soft pink double blooms. Easy to grow, disease resistant and flowers continuously. Ideal for a low hedge or mass plantings.

### CITY OF ADELAIDE

Clusters of semi-double, salmon pink blooms with a slight fragrance adorn this deep green, glossy bush. Ideal as a feature plant or grown as part of a massed bed. Up to 1.2m tall and 1.0m wide.

### COCONUT ICE

Musk pink with a soft white on the reverse of each petal in an Old English form. Neat, upright bush grows to 1.2m producing firm stems that hold clusters full blooms that have a mild fragrance.

### EBB TIDE

Deep purple, almost black buds open to reveal a very double, medium size old fashioned blooms of velvet purple that carry with them an intense clove fragrance. Just over 1m tall.

### EUROPEANA

Huge heads with camellia shape blooms. Very vigorous bush with dark foliage. Mild fragrance. Height 60 to 90cm. Blooms in flushes throughout the season. Heat tolerant.

### FRIESIA

A healthy and compact floribunda of the brightest unfading yellow. Free blooming and good fragrance. The scent unites with sensual-flowery aspects similar to those of jasmine or ylang-ylang.

### GALLIPOLI CENTENARY

This stunning rose was carefully selected to commemorate one of the most significant moments in Australia's history, the Gallipoli Centenary in 2015. Deep red blooms. 1.2m.

### GIFT OF FRIENDSHIP

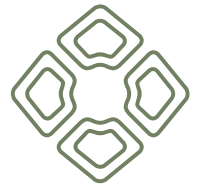

Fully double flowers in a fresh fruity cherry red are produced continuously on a background of healthy dark green foliage. Neat trouble free growth to 70cm. Ideal for classic rose beds or pots.

### GOLD BUNNY

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush up to 80 cm high, single or in small clusters on medium stems.

## Floribunda Bush

Second only to the hybrid tea in popularity, Floribunda roses bear flowers in large clusters, providing massive, colourful, long-lasting garden displays. As a class, they are hardier and easier to care for than their hybrid tea counterparts. They range from low growing varieties of 50cm high, but average at 1.2m. Well suited for use en masse, in pots or to form attractive borders and low hedges. Plant 50cm – 1m apart.

### MAKE A WISH

Named for the Make-A-Wish Foundation. Clothed in clusters of cream to white blooms with a soft apricot centre. Blooms have a light sweet fragrance and sit amongst dark green, glossy foliage to 1m tall.

### NOVALIS

Fragrant lavender blooms, which take on an old world form, are produced abundantly, creating an incredible display on an easy care bush with light green leaves.

### ORANGES AND LEMONS

flamboyant rose that has vibrant double yellows blooms with orange splashes and stripes. New foliage begins a deep burgundy shade then matures to a deep green. Vigorous and hardy.

### OUR VANILLA

The name has been well chosen as the colour is a vanilla champagne, with the outer base petals sometimes having a green hue. Growth is dense and very healthy. Excellent cut flower.

### PLAYBOY

This burnt orange with yellow centred rose is very unique and it really stands out because the colours are just so different than any other. A very hardy and attractive rose.

### PUMPKIN PATCH

Unique colour – its rich copper buds open into clusters of beautiful orange flowers. Growing on an upright bush with shiny green leaves, this is a rose that will always bring joy.

### SOUL MATE

Old fashion blooms in lemon tones of butter gold, topped off with a licorice spice fragrance. Perfectly rounded habit, super glossy leaves and great disease resistance. Height 1.2m.

### SOUL SISTER

Milky chocolate buds opening to latte coffee and ending in soulful lavender. A very elegant and unusual flower sitting on a healthy rounded bush with a light tea fragrance. 1.5m high.

### THE GOLDEN CHILD

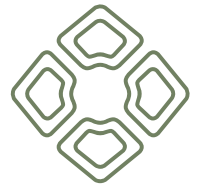

Large bright yellow blooms are produced in clusters on a healthy bush coated in mid green leaves. Added to this lovely plant is a pleasing moderate fragrance.

### WHITE ICEBERG

Nicely shaped pure white blooms cover the plant all season. Growth up to 5 metres but not overly rampant. Continually in bloom. Fragrant.

# Roses 2025

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

### AMAZING GRACE

This beautiful rose really has everything going for it. Featuring strongly fragrant pure white flowers with a classic shape, the glossy green foliage on nearly thornless stems is an exceptional contrast.

### ASHRAM

Strong growing with bright old gold colouring flowers freely. Shining dark green foliage has excellent disease resistance. The large, full blooms are suitable for picking. Slight fragrance. 1.2m tall.

### BEAUTIFUL GIRL

Romantic colour combination of silver and pink. Antique in shape, the medium sized blooms have firm petals curving into the centre which sit on long stems. Mid-green leaves with mild fragrance. Height 1.5m.

### BEST FRIEND

Vibrant blooms of deep, hot pink accompanied by a strong sweet perfume. Large, light green leaves and excellent health. Named by the RSPCA to celebrate 4 legged friends.

### BLACK BEAUTY

Distinctive velvet red with an inclination toward black and a yellowish reverse. This rose is one of our blackest roses. A very productive cut flower variety with a good vase life. 1.2m tall.

### BLUE MOON

Large lavender blue blooms with strong fragrance on long slender stems. Healthy medium growth. Most popular of all the 'Blue Roses'.

### CHARLES DE GAULLE

Clear lilac blue accompanied by lovely fragrance in the form of fully double flowers. The plant is of low to medium height with healthy growth. One of the best mauves and a true delight.

### CHILD'S LOVE

Beautiful frilly, scalloped petals in a gorgeous salmon-pink colour to match, plus a delightful strong fragrance - this rose is sure to attract attention! Abundance blooms, up to 1.2m.

### DARK DESIRE

From buds that are almost black, the cupped flowers emerge with a unique violet-red before maturing into a violet purple. Sophisticated fragrance of floral and fruity aspects. Height to 1.2m.

### DOUBLE DELIGHT

Large double blooms of white to cream with heavily flushed and edged carmine to red. Bushes are of medium size, vigorous and of good health, with long strong stems. Strong fragrance.

### ENDLESS LOVE

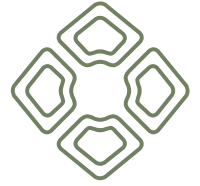

Pretty large petal white blooms with lipstick pink edges continually flower throughout the season. A rose that combines elegance and fragrance. Incredibly hardy and healthy, this rose is a joy to grow.

### FATHER'S LOVE

Dark velvety red, fully petalled blooms with a lasting fragrance of spice. Deep green foliage. Named in support of Australia's Centre for Men's Health.

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

**FRAGRANT PLUM**  
A deep lilac rose, edged rich purple, with a high centre. Strong perfume.

**GLORIOUS**  
A variety that truly lives up to its name, this traditional bloom flowers freely on a strong bush. The soft, clear yellow blooms hold remarkably well and seem almost immune to marking.

**HONOUR**  
Off-white to cream rose of excellent form. This extremely disease resistant and healthy plant is most desirable, a very popular show winner in America. Light fragrance.

**JOHN F KENNEDY**  
Highly fragrant, large pure white flowers on a tall shrub. This beautiful rose starts off with buds of a greenish tinge before slowly unfurling into flowers that can be as large as 5 inches across.

**JUST JOEY**  
Large decorative coppery orange to buff blooms with wavy and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented. Rose Hall of Fame in 1994.

**KARDINAL**  
A delightful bright red rose with beautifully formed medium-sized blooms produced in abundance. Blooms are rarely out of shape, and make for a beautiful, long lasting cut flower.

**LADY X**  
Long perfect buds of pale lilac on an almost thornless stem makes this rose very popular for floral work. An excellent cultivar with about 35-40 petals.

**LORRAINE LEE**  
An evergreen climber with long pointed buds that open to double, cupped blooms of coral pink. Rich green glossy foliage. Repeat flowering. Fragrant. Growth to 3m high and 2m wide.

**LOVE YOU**  
Intensely fragrant, this rose has classic Hybrid Tea shaped, dark pink blooms with a light silvery reverse. The buds unfold to form a beautiful spiral shape and make an excellent cut flower.

**LOVING MEMORY**  
A tough and hardy dual-purpose bright red rose of good form. The overall hardiness is most desirable, a good rose.

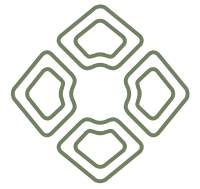

**MIDAS TOUCH**  
Clear, bright yellow blooms on a well branched, upright and tall bush with dark-green foliage. Exceptional vigour and repeat flowers freely. Fragrant.

**MOON GLOW**  
Dreamy, full blooms of soft buttery gold hue to light up your garden night and day. With big and brilliant beams of gentle colour it is ideal for garden and pot alike. Superb disease resistance. 1.5m

## Hybrid Tea Roses

Hybrid Tea roses have been the most recognisable class of rose for over a hundred years. They bare classic full flowers either singly or several to a stem. Many have a good fragrance and are excellent for cut flowers. Height ranges from 1m to 2m but averages 1.5m. Plant 1m apart.

### MOTHER'S LOVE

Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance. Abundant deep green foliage on a healthy bush reaching 1.5m.

### MISTER LINCOLN

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

### OKLAHOMA

A very dark red rose with large double blooms of 45 to 55 petals. Flowers are produced on long stems and are very fragrant. A vigorous plant with lovely dark green foliage.

### PAROLE

The largest bloom that we know of any hybrid tea. The plant is strong, healthy and vigorous. The huge dark pink bloom is highly fragrant. Intoxicating scent that develops over time.

### PEACE

The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Very popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976. Makes an excellent standard.

### PERFUME DELIGHT

Large well formed blooms of deep pink with purplish tones. Lighter on the petal reverse with a spicy fragrance.

### PERFUME PASSION

Beautiful pink blooms are produced in abundance on long, almost thornless stems, and are enhanced by the deliciously strong fragrance. This disease free, strong bush will reach 1.5m tall x 60cm wide.

### POPE JOHN PAUL II

Producing luminous, pristine, lavishly petalled blossoms, this elegant rose grows in the Vatican's private garden. It has won trophies for fragrance, vigour, and superior disease resistance.

### REMEMBER ME

Extremely strong healthy dense foliage of medium tall habit. The blooms are a blend of fawn, cream, yellow and salmon, deepening in hot weather. Very unique.

### SWEET MEMORY

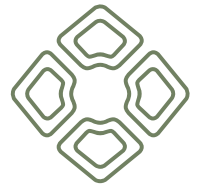

Names for Alzheimer's Australia Vic. Masses of clear pink blooms are produced on a vigorous and healthy bush covered in dark green, glossy leaves. Slight species fragrance.

### TEQUILA SUNRISE

A many petalled rose with blooms of yellow heavily flushed red. A very showy and bright rose of good health and vigour. This rose has won many awards including 3 Gold Medals.

# Roses 2025

## David Austin

David Austin Roses ( English roses ) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

### ABRAHAM DARBY

Large shrub with many-petalled flowers of apricot to yellow. Strong and disease resistant. Fragrant. 1.5m tall. Good as a cut flower.

### BOSCOBEL

Perfectly formed, beautifully fragrant, upward facing blooms. Rich salmon pink with peach highlights and myrrh fragrance with hints of elderflower, pear and almond. To 1m and repeat flowering.

### CHARLES DARWIN

Bold, large yellow flowers, mustard in tone. The blooms are full and deeply cupped at first, but open to a shallower flower, usually revealing a button eye. Strong, delicious fragrance.

### CROCUS ROSE

The large rosette-shaped flowers are cupped at first, with the petal later reflexing. The colour is soft apricot, paling to cream on the outer petals, turning to cream with age. Fragrant. 1.2m tall x 1.0m.

### DAME JUDI DENCH

Rich shade of apricot-orange, paling prettily towards the edges. They are very resistant to rain damage and the petals drop neatly. There is a light-medium tea scent.

### GERTRUDE JEKYL

Medium-tall healthy, strong growth. Large fully double bloom in rich pink. Strong scent. 1.3m tall. Can be used as a moderate climber.

### HERITAGE

Flowers are medium-sized, prettily cupped in shape and of a soft pink colour. Flowers repeatedly and regularly with a strong fragrance. Growth, relaxed at first, soon builds into a good bushy shrub.

### JUBILEE CELEBRATION

The large domed flowers are of a rich salmon-pink with tints of gold on the underside of the petals. Blooms hold above the foliage. Fruity rose scent with hints of fresh lemon and raspberry. 1.2m x 1.2m.

### JUDE THE OBSCURE

Very large, highly fragrant pale yellow to apricot flowers. Very strong, healthy growth that repeats well. There are few more magnificent roses than Jude the Obscure. 1.5m tall x 1.2m.

### LADY OF SHALOTT

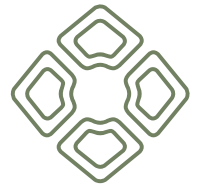

Rich orange-red buds with slight fragrance. Each petal has a salmon pink upper side with golden-yellow reverse. Can be used as a moderate climber. Height 1.2m or 2.5m when supported.

### ROALD DAHL

Soft orange-red buds open to medium-sized, cupped rosettes of perfect apricot colouring. They are extremely robust and have a lovely fruity Tea scent.

# Roses 2025

## David Austin

David Austin Roses ( English roses ) possess a unique charm with their beautiful full petalled, fragrant blooms and attractive shrubby appearance. These Modern Shrubs are versatile. Excellent for mixed borders and fit into any style garden. They can be cut for vases as a tight bud to open inside releasing a wide range of fragrances. The taller varieties make excellent short climbers.

### THE LADY GARDENER

Large, pure apricot full rosettes, with a strong delicious tea fragrance with hints of cedar wood and vanilla. The upright bush repeat flowers quickly and is very healthy. Approx 1.2high x 80cm wide.

### THE MILL ON THE FLOSS

Large cupped blooms of rich yellow which pale. The fully double blooms contain a wonderful fruity fragrance with hints of lemon. Low rounded shrub to 1.2m. Approx 1m tall x 1m wide.

### THE WEDGEWOOD ROSE

The large, delicate, softest marshmallow pink blooms have delicate, gossamer-like outer petals, creating a charming effect. There is a medium-strong fruity fragrance.

### TOTTERING BY GENTLY

Soft buttercup single blooms make a spectacular display en masse and give a musk fragrance. The bush is approx. 1.25m high with large, open sprays on a rounded, branching shrub. One for the bees.

### WILLIAM & CATHERINE

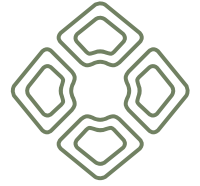

Produces white, shallowly cupped, full petalled blooms with impressive regularity. They have a puremyrrh fragrance. It forms an attractive shrub with bushy, relatively upright growth.

### WINDERMERE

Start as rounded buds, opening to full cupped flowers with over 80 petals. First a rich cream, fading to almost pure white in the sun. Delicious, fruity fragrance with a hint of citrus. 1m tall x 75cm.

# Roses 2025

## 90cm Standard Roses

Standard roses, also referred to as stem roses, are grafted at a height of 90cm and are a variation of the normal bush rose. Ideal for adding height to a garden and can also create a formal appearance if planted in a row.

Plant approx. 1.2m apart.

### BLACKBERRY NIP (HT)

This shapely magenta purple bloom comes on a long stem with a delicious fragrance. The blue-grey hue in its dark green foliage sets the plant off perfectly. 1.5m x 1m.

### BLUE MOON

Large lavender blue blooms with strong fragrance on long slender stems. Healthy medium growth. Most popular of all the 'Blue Roses'.

### DOUBLE DELIGHT (HT)

Large double blooms of white to cream. Heavily flushed and edged carmine to red. Bushes are of medium size, of good health and vigour with long strong stems. Strong fragrance.

### GOLD BUNNY (F)

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush, single or in small clusters on medium stems.

### HEAVEN SCENT (HT)

An intense old damask rose fragrance accompanies large blooms sitting on long stems with few thorns. A desirable rose.

### ICEBERG (F)

Pure white double blooms are produced continuously all season. A healthy bush ideal for massed display, also popular as a standard.

### JULIA'S ROSE

With unique coffee and fawn colours, this rose is a favourite for floral arrangements. A good healthy variety.

### JUST JOEY (HT)

Large decorative coppery orange to buff blooms with waved and frilled petals. Strong tough growth. The unique coloured flowers are sweetly scented.

### MISTER LINCOLN (HT)

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

### NOVALIS (F)

Fragrant lavender blooms, which take on an old world form, are produced abundantly, creating an incredible display on an easy care bush with light green leaves.

### POPE JOHN PAUL II (HT)

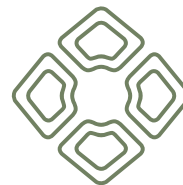

Producing luminous, pristine, lavishly petalled blossoms. This rose has won trophies and medals all around the world for fragrance, vigour and superior disease resistance.

### TEQUILA SUNRISE (F)

A many petalled rose with blooms of yellow heavily flushed red. A very showy and bright rose of good health and vigour. This rose has won many awards including 3 Gold Medals.

# Roses 2025

## Patio Standard Roses

Patio standard roses, also referred to as stem roses, are grafted at a height of 60cm and are a variation of the normal bush rose. Ideal for adding height to a garden and can also create a formal appearance if planted in a row.

Plant approx. 1.0m apart.

### BEST FRIEND

Vibrant blooms of deep, hot pink accompanied by a strong sweet perfume. Large, light green leaves and excellent health. Named by the RSPCA to celebrate 4 legged friends.

### DOUBLE DELIGHT (HT)

Large double blooms of white to cream. Heavily flushed and edged carmine to red. Bushes are of medium size, of good health and vigour with long strong stems. Strong fragrance.

### GOLD BUNNY (F)

The soft gold blooms are fairly large and of classic shape. They are borne almost continuously on a compact light green bush, single or in small clusters on medium stems.

### JOHN F KENNEDY

Highly fragrant, large pure white flowers on a tall shrub. This beautiful rose starts off with buds of a greenish tinge before slowly unfurling into flowers that can be as large as 5 inches across.

### MOTHER'S LOVE (HT)

Soft, pale pink blooms gently deepen in colour toward the centre with a strong, sweet fragrance.

### MISTER LINCOLN (HT)

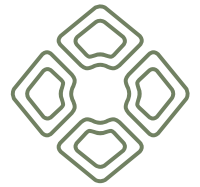

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

### PEACE (HT)

The large exhibition blooms of yellow, flushed pink have a pleasant fragrance. Probably the most popular of all roses and was the first rose inducted into the Rose Hall of Fame in 1976.

# Roses 2025

## Climbing

Climbers can be used in a multitude of situations, limited only by your imagination. For best results, espalier the long canes into a horizontal position to promote lateral growth. Do not prune for the first two seasons and only to remove dead wood and unproductive growth. Allow time for the plants to establish themselves. Do not prune until the third or fourth season and try to leave the long canes.

### ANGEL FACE

Sweet fruity scent and it's flower is as appealing as its lavender colour. Lavender ruffled-edge blossoms, edged in an attractive deeper ruby, and often grow on single stems as well as in clusters.

### BLUSHING PIERRE

Beautiful old fashioned creamy white to pink flowers bloom constantly and carry a mild classic rose scent. The abundant foliage is lush, glossy deep green and healthy. 3m x 2m.

### BUFF BEAUTY

Lovely large, fully double apricot blooms fade to white on a beautiful Hybrid Musk bush. A vigorous grower with mid green leaves can be used as a shrub or climber. Strong Tea fragrance.

### GOLD BUNNY

Ruffled, golden yellow blooms held in large clusters shine against the distinctive deep green foliage. Repeat flowering. 3m tall.

### ICEBERG

Nicely shaped pure white blooms cover the plant all season. Growth up to 5 metres but not overly rampant. Continually in bloom. Fragrant.

### MISTER LINCOLN

Classic dark velvety red blooms with a lovely fragrance in exhibition form. A strong healthy grower.

### PIERRE DE RONSARD

White to pale pink blooms deepening to carmine in the centre. Flowers freely and repeatedly. Fragrant. Ideal as a Pillar Rose. Inducted into the Rose Hall of Fame 2006. Approximately 2.5m spread.

### QUICK SILVER

The rich mauve blooms are large and darken to the centre. Produced in clusters, they sit amongst deep green healthy foliage creating a striking display. Moderate sweet rose fragrance. Height 2.5m spread.

### RED PIERRE

This climber produces masses of large, burgundy red, very double, cupped blooms with that 'old world' charm and elegance. Lightly fragrant. Healthy, lush, deep green foliage. Coverage 3m.

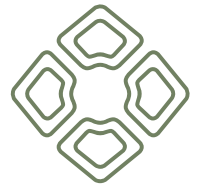

### TEASING GEORGIA

The centre petals are rich deep yellow, while the outer petals fall back and fade to palest yellow, providing a two-tone effect. Very strong, fragrant, graceful growth.

# Roses 2025

## Unique Roses

### Groundcover

#### EYE SHADOW

Blooms are produced in mid pink with the telltale Hulthemia dark pink eye that fades nicely in the aging bloom. It can grow to 60cm high but spreads well. Multi award winner.

### Heritage

#### MUTABILIS

Open twiggly bush. Multi-colour blooms of coppery yellow that change to a pinky crimson colour as they age. Dark plum coloured stems with dark green-grey foliage. Recurrent. 2.5m tall.

### Heritage

#### SCABROSA

Large single blooms of magenta with golden stamens, followed by large bright red hips. Magnificent foliage on a spreading bush approx. 1.5m tall. Recurrent.

### Modern

#### PERSIAN EYES

A delightful mid to deep pink semi double rose, with a dark chocolate brown eye exhibiting bright yellow stamen.
